Golden Age Card

In my home city, the authorities and also local groups are doing their best to help our citizens. You classify for that category when you reach your 65th birthday. You can ride at half fare on the city omnibuses. You have special recreation buildings where you can play chess, checkers, or read a book. You go on trips. With movies getting the price of $2.50 in the afternoon on a weekday, that comes out steep for a senior citizen. So some of the movie houses have issued "golden age cards." You get one buck off the regular admission on certain days.

This movie house had this sign outside: "If you are 85 years or older, and you come with one or both of your parents, we will admit you free any day and at any time."

The Perfect Marriage

The Marshall Art Gallery recently sold the picture, "The Perfect Marriage" by Marcel Devoin for $150,000. As you may know, this painting depicts a marriage in Flanders in the 1500's. Marcel Devoin is a very witty man as well as being one of the finest painters in the world. When he had finished this particular picture, it was hung in exhibit in his native town. Jean Bucharge, the art critic, looked at it with not favorable eyes.

"I can show you at least five errors in this picture that not even an amateur would have made," he said. "Not a perfect painting."

"How could I do a perfect painting of a marriage," snapped back the artist," when I haven't been able to find the perfect marriage."

****

To Bathe or Not to Bathe?

Sid Murry, the sports promoter, tells this particular story: "For three years, I managed a fellow by the name of Joe Garganta. He weighed almost 700 pounds. He was billed as the "Strongest Man in the World." We would travel from town to town and appear at carnivals and other special celebrations. He could rip a fat telephone book in half; bend an iron horseshoe; or hold up ten men on a board. Of course, he would perspire a lot; and when it dried on him, there was a peculiar body odor. How to tell him to take a shower or bath without offending him? So I came right to the point one evening.

"No use trying to tell me to take a bath," he said. "Out of the question.

"Why?" I persisted. "Just give me one good reason why?"

"Look at me," he grinned. "And see how much of me I would have to dry. By the time I would get finished covering all that area of skin, I would be tired."

Supermarket

The manager of our local supermarket tells this story. It happened in his store. A woman tried to enter with a dog on a leash. He pointed to the sign which read: "No animals permitted in this store. By order of the Board of Health."

"That sign doesn't apply to my dog," she insisted. "So we are going over to the meat counter."

"Why not leave the dog with me," suggested the manager. "Then make your choice of the meat you want."

"But it is Fiffi who has to make the choice of the meat she wants," smiled the woman.

The Perfect Answer

Recently I attended a social affair. There were stars of the screen, T.V., and the stage there-also several reporters. This particular one was young. He was going to learn the hard way when and when not to ask certain questions.

Mrs. X was there. When young, she had been a beautiful gem on the screen. Now she was still successful and doing the grandma part in a successful T.V. series. Somebody told this young reporter something in his ear. He rushed over to Mrs. X. and in a voice that could be heard by everyone of us asked:

"I understand you have been married and divorced six times. Could you tell me why?"

There was the kind of a silence when you can hear a pin drop. But Mrs. X was up to the situation. She handed him this crusher:

"Very simple, my dear, young, handsome man. I happened to enjoy eating the wedding cake? Want to be my seventh?"

****

The Golfer

I have seen handicapped people determined to engage in sports. This was most remarkable. A blind golfer on the driving range. His caddy was with him and telling him in what direction to hit the ball. We were all amazed.

"Ever play for money?" asked Mike Winslow, the famous professional.

"I will play you for $1,000 a hole," was the unexpected reply.

"You get a deal," laughed Winslow. "Tell me when you are ready to play."

"First night without any stars, no moon, and lots of clouds," was the laughing reply.

The Deadly Oriental Fighting Art of Instantaneous Death That Requires No Strength or CLOSE BODY CONTACT.

- Self-defense without torturous training or rigorous exercise.
- Instant self-defense for the weak, the defenseless, the fearful and the untrained.
- Makes your body a live fighting machine! Hands, feet, elbows even fingers become deadly weapons of defense.
- Faster, deadlier and easier than Judo, Savate or Karate.

Revealed at last! The most secret, the most respected, the most effective of all the Oriental fighting arts—KUNG FU. ***So simple that if you can read then you can easily master the theory of this "flick-of-the-wrist" technique.*** **KUNG FU works on a secret principle yet its deadly force is easy to learn and easier still to apply. KUNG FU can take any one * without training and make him a fighting machine in seconds.**

THE SECRET OF KUNG FU REVEALED AT LAST

KUNG FU is a fantastic method of self-defense that was buried in the mysteries of the past. Once a part of a mystic Oriental rite, its deadly fighting secrets were only taught by Shaolin Priests to those considered worthy only after years of preparation and testing. KUNG FU was hidden from the public! Yet in spite of serious efforts to keep it from the world, word of its amazing power spread. Masters of other fighting arts soon learned to fear and respect its techniques. *They learned that KUNG FU harnesses certain dormant forces within you, enabling you to disable and destroy with just a lightning flick-of-the-wrist, and that KUNG FU requires no strength or extraordinary skills, in fact KUNG FU's brilliant defense never requires strength, size or undo exertion.*

HOW KUNG FU WORKS

KUNG FU is based on a simple yet lethally effective principle. *It is not necessary to physically match strength with your opponent in order to overcome his attack.* You harness the enormous natural power of your own movements. KUNG FU shows you how to take advantage of these fundamental laws of natural movement. Your rhythm is added to the very movement against you..., so that **all forces are added together and unleased against your opponent.** This is KUNG FU – a force so simple yet so devastating that its techniques have stunned the world.

KUNG FU IS BETTER THAN OTHER FORMS OF SELF DEFENSE

KUNG FU is better than all other forms of self defense! Its secret lies in its simplicity and in its ability to overcome an attacker WITHOUT INTRICATE BODY CONTACT. Now, if you can read or look at pictures then you should be able to master the theory of this "flick-of-the wrist" technique YOU CAN WIN...EVEN IF YOUR OPPONENT IS BIGGER AND STRONGER THAN YOU. You can win if your attacker surprises you. And more—KUNG FU means deadly, often crippling self defense where **every part of your body is a fearful weapon.** Your feet, your hands, your elbows, your fingers become lethal weapons WITHOUT REQUIRING SUPER MUSCLE-POWER OR BRUTE FORCE. And you can do all this without years of training, special exercises, and especially hundreds of dollars in cost

WHAT KUNG FU WILL MEAN TO YOU

With so many crimes of violence about us you could be in danger anytime of being hurt or worse humiliated! BUT NOW YOU CAN DO SOMETHING ABOUT IT. **You can protect yourself, your family and your property with deadly efficiency in mere seconds.** Yes, and you can do it without years of training, hundreds of dollars in cost, and without long, painful practice. Regardless of size, strength or build you can beat the bullies and better the odds. Thanks to KUNG FU you need never be afraid again. You too can learn to overcome the fear of being shamed. You too can be the one that gives the beating! You too can control threatening, dangerous situations.

WHY KUNG FU MAKES ALL THIS POSSIBLE

Why??? **Because KUNG FU is as deadly as it is simple.** And it works for anyone.* Other forms of self defense like Judo or Karate require something special such as strength, speed, etc....to say nothing of endless practice. A judo Black Belt Master, for example, must practice technique after technique...and take years to master it all NOT SO WITH KUNG FU! **It's based on an entirely different concept.** Technique and form aren't very important. DEFENSE IS! KUNG FU is designed to help you defend yourself in most situations" with *an absolute minimum in effort and a maximum in protection.*
